Our Journey

Welcome to Khambati Impex Co. Ltd...

Khambati Impex Co. Ltd, founded in February 2013 and headquartered in Kampala, Uganda, has swiftly emerged as a trusted name in the East African market. Our dedication to delivering **superior water proofing quality products and exceptional water proofing services** has earned us a loyal customer base across the region.

Since our inception, we have been committed to providing innovative and reliable waterproofing solutions. We began with a focus on **water proofing products** and have continually expanded our product line to meet the diverse needs of our clients. Today, our offerings include APP Membrane, Marine & MDF Boards, Geotextile, Betonamit (non-explosive stone cracking agent), parking safety rubber products, and more.

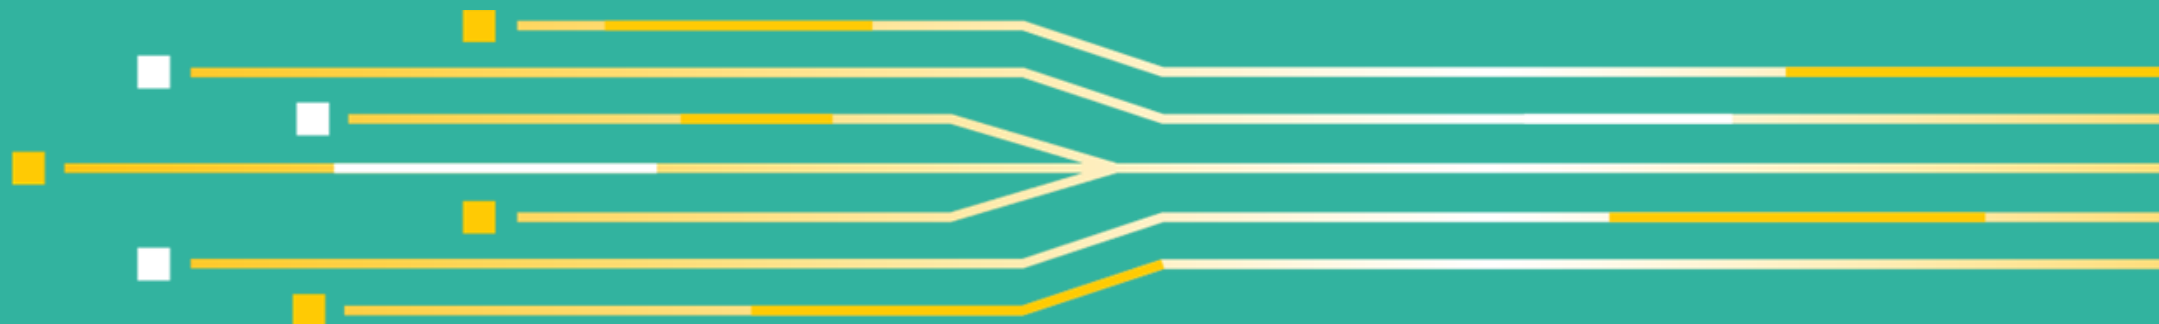

About Us

Our Strength

Our strength lies in our professional team of **experienced water proofing experts applicators**. With years of hands-on experience, our team has successfully undertaken some of the most significant and challenging projects in the region. We pride ourselves on our ability to deliver high-quality products and services that meet the highest standards of excellence.

Our Commitment

At Khambati Impex Co. Ltd, we believe in building long-lasting relationships with our customers based on trust, integrity, and mutual respect. Our commitment to quality and customer satisfaction drives everything we do. We continuously strive to enhance our product offerings and service capabilities to better serve our clients' needs.
